The Public Utility Commission of Oregon, appearing by and through Johanna M. Riemenschneider, Senior Assistant Attorney General, and Greenwell Family Trust, the Defendant herein, hereby stipulate as follows:

1.

A Complaint in this case is pending before the Commission charging the Defendant with one violation of law, OAR 952-001-0050(1).

2.

Both parties to this proceeding are willing to forego further processing of that Complaint and further are willing to resolve this matter on the basis of this Stipulation.

The parties further agree that the Commission may enter an order assessing a civil monetary penalty against Defendant in the amount of $1,000 under the following terms and conditions:

A. Defendant must sign and return this Stipulation within 20 days of the date it was served upon (mailed to) Defendant.

B. Payment of the penalty ($1,000) is suspended and will be waived with no further penalties imposed for the violation alleged in the Complaint unless Defendant fails to comply with all of the terms of this Stipulation and all of the rules adopted by the Oregon Utility Notification Center (OUNC) under ORS 757.552 for a one-year period following the date of the Commission's entry of an order.

C. In the event that Complainant contends that Defendant has not complied with all of the terms of this Stipulation and all OUNC rules for that one-year period, Complainant may petition for imposition of all or a portion of the suspended penalties. In such case, Defendant is entitled to a notice and hearing on the basis upon which Complainant contends that compliance has not occurred.

D. Complainant's failure to enforce any provision of this Stipulation, or decision to waive any violation or nonperformance of this Stipulation in one instance, will not constitute a waiver by the Complainant of that provision, any other provision, or any other violation or nonperformance in another instance.
