In the Matter of SUNRIVER WATER LLC, Request for an Alternative Rate Mechanism (New Rate Schedule No. 10).	ORDER

DISPOSITION: TARIFF SHEETS SUSPENDED

On September 4, 2025, Sunriver Water LLC, filed tariff sheets in Advice No. 26-1 to be effective January 1, 2027. The filing seeks to establish an alternative rate mechanism to recover the costs of a long-planned capital addition called the South Reservoir Replacement Project through a new rate tariff, Schedule No. 10. We find good and sufficient cause exists to investigate the propriety and reasonableness of the tariff sheets under ORS 757.210 and 757.215.

ORS 757.215(1) authorizes the suspension of a rate filing for a period up to ten months. We conclude at this time that a ten-month suspension is necessary to investigate this general rate proceeding.

ORDER

IT IS ORDERED that Advice No. 26-1 filed by Sunriver Water LLC, is suspended for a period of time of up to ten months from January 1, 2027, the effective date of the tariff sheets.

Made, entered, and effective Nov 23 2026.
