Re: Granite Telecommunications, LLC – CP 1176

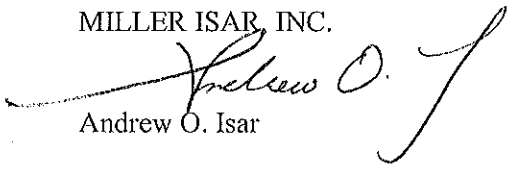

Dear Ms. Beier:

Granite Telecommunications, LLC (“Granite”), by its regulatory consultants, hereby withdraws the *Petition for Reinstatement* of Granite’s Certificate of Authority in Oregon (“Petition”), filed with the Public Utility Commission of Oregon (“Commission”) in the above-referenced proceeding on December 15, 2005. Following discussions with Commission staff, Granite has concluded that pursuit of the pending Petition could delay and/or prejudice the granting of a Certificate of Authority to Granite. Granite instead intends to re-apply for a Certificate of Authority.

An electronic copy of this letter was filed with the Commission this morning and served on parties listed in the Commission’s electronic case file. Please acknowledge receipt of this filing by file-stamping and returning the additional copy of this transmittal letter in the self-addressed, postage paid envelope enclosed for this purpose. Thank you for your attention to this matter. Questions may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.

Andrew O. Isar
