Re: UM 1121 - PGE Acquisition Docket
Date: March 9, 2004

At the prehearing conference on March 16, 2004, we will be discussing dates and locations for open house public meetings. We propose the following:

April 1	Hillsboro
April 5	Gresham
April 8	Tualatin
April 12	Portland
April 13	Salem

In addition, the Commissioners will hold town hall public meetings. We propose the following:

April 27	Salem
April 28	Portland

Finally, we propose that the next prehearing conference be scheduled for April 20 in the afternoon, which is a public meeting day. An alternative date is April 21 in either the morning or the afternoon.
