DISPOSITION: SCHEDULE FOR COMMENTS ADOPTED

At the July 6, 2004 Public Meeting, the Commission Staff (Staff) presented recommendations for performance measures for the Energy Trust of Oregon (ETO). At the meeting, several persons who had filed comments to Staff's recommendations noted that they had not had the opportunity to review and respond to comments filed by others. Accordingly, the Commission decided to table consideration of the recommendations until the comments had been circulated and interested persons were given the opportunity to submit reply comments.

Accordingly, notice is given that the earlier comments have been posted on the agency's website and can be accessed under the UM 1158 eDockets summary. Furthermore, the following schedule for written reply comments is adopted:

Written comments should be directed to the Administrative Hearings Division, Public Utility Commission of Oregon, Docket UM 1158, PO Box 2148, Salem, Oregon 97308-2148.
