RULING

DISPOSITION: MOTION GRANTED; SCHEDULE RESET

On February 8, 2005, Staff moved to amend the procedural schedule in light of settlement discussions among the parties. In particular, Staff recommended setting a deadline for an amended application by Edge Wireless LLC (Edge Wireless), and its motion to consolidate dockets UM 1176 and 1177, and allowing time for comments. Although not expressly stated, the motion implied that the parties agreed to this proposal. The motion is granted as follows:

February 11, 2005: Edge Wireless shall file an amended application. As part of its anticipated motion to consolidate UM 1176 and UM 1177, a new deadline for petitions to intervene for the consolidated docket is set for February 18, including petitions from entities that were previously party to one docket but not the other.

March 4, 2005: the parties are to submit either a proposed joint stipulation or a proposed schedule for the remainder of the docket.

Dated at Salem, Oregon, this 9th day of February, 2005.
