Request for a general rate increase and	)	
Interim rates.	)	

On August 15, 2005, I issued a ruling granting the Commission Staff's motion to amend the procedural schedule in this docket. That ruling explained that Staff, Shadow Wood Water Corp., and two customer intervenors had reached a settlement in the case and had submitted a Stipulation for Commission approval. The ruling also established the date of August 22, 2005, as a deadline for any other customer intervenor to file an objection or request a hearing on the Stipulation. *See* OAR 860-014-0085(5).

No such objection or request was filed, and the time for doing so has ended. Accordingly, no evidentiary hearing will be held. The Commission will review the Stipulation and supporting testimony and issue a final order in this proceeding.

Dated at Salem, Oregon, this 23rd day of August 2005.
