**DISPOSITION: OBJECTIONS TO REPLACEMENT PAGE TO BE
FILED BY AUGUST 19, 2005**

On August 5, 2005, Northwest Natural Gas Company (NWN) filed a stipulation and joint testimony in this docket. In reviewing paragraph 12, page 3 of the stipulation, it appeared that an error had been made. I contacted NWN, which confirmed that Schedule 300 was erroneously referenced in the paragraph. On August 12, 2005, NWN filed a replacement page to the stipulation, which corrected the reference to a non-existent schedule.

Any party having an objection to the corrections made in paragraph 12 of the stipulation must file such objection by August 19, 2005. If no objections are received, the new replacement page will be inserted into the previously filed stipulation.

Dated at Salem, Oregon, this 12th day of August, 2005.
