SUBJECT: OREGON PUBLIC UTILITY COMMISSION STAFF: Request to cancel certificates of authority to provide telecommunications service in Oregon of carriers who violated the terms and conditions of their certificates.

STAFF RECOMMENDATION:

Staff recommends the certificates of authority to provide telecommunications services for the competitive providers listed below be canceled.

DISCUSSION:

ORS 759.020 authorizes the Commission to grant certificates of authority to telecommunications competitive providers who intend to provide telecommunications service in Oregon. The Commission grants certificates with conditions. Among them are OAR 860-032-0060 which requires providers to submit annual reports to the Commission and OAR 860-032-0095 which requires providers to pay an annual revenue fee and submit an annual fee statement. Pursuant to OAR 860-032-0015(1)(b) and OAR 860-032-0008, failure to comply with applicable Oregon Revised Statutes and Oregon Administrative Rules can result in cancellation of the company's authority to provide telecommunications service in Oregon.

The following competitive providers have not:

1. Filed a 2012 annual report; and/or
2. Paid annual revenue fees, filed the annual fee statement, paid the \$100 late statement fee, or paid penalties.

ORS 756.514(4) provides that the Commission may, after investigation, but without hearing, make such findings and orders as deemed justified by the results of its investigation. As a result of not complying with Commission rules and terms of their certificates, the following telecommunications competitive providers should have their certificates of authority to provide telecommunications service in Oregon canceled.

Docket No.	Company Name	Reason for Cancellation
CP 1491	Anthem Telecom LLC	2
CP 1282	IBFA Acquisition Company LLC	2
CP 1463	MBC Telecom LLC	1

Pursuant to OAR 860-001-0720, the companies have sixty (60) days to file for reconsideration of this cancellation.

PROPOSED COMMISSION MOTION:

The certificates of authority to provide telecommunications service in Oregon for the competitive providers listed above be canceled.
