Re: Docket No. UM 1209
MidAmerican Energy Holdings Company and
PacifiCorp

On March 14, 2006, the Oregon Public Utility Commission ("Commission") issued an order in the above-captioned proceeding granting approval of the acquisition of PacifiCorp by MidAmerican Energy Holdings Company. Although the order provides for post-closing notification within 30 days of the close of the transaction, the Applicants are notifying the Commission as a courtesy that the consummation of the transaction authorized by the Commission occurred on March 21, 2006.

Per the requirements of the March 14, 2006 order, the Applicants will also provide notice in writing to the Director of the Utility Program within 30 days of the date of the transfer of control, which notice shall attach a true copy of the instruments of transfer.
