

PUBLIC UTILITY COMMISSION OF OREGON
STAFF REPORT
PUBLIC MEETING DATE: April 9, 2013

REGULAR _____ CONSENT X EFFECTIVE DATE _____ N/A _____

DATE: March 29, 2013

TO: Public Utility Commission

FROM: ^{mm} Mitch Moore

THROUGH: _F Jason Eisdorfer, ^{BAC} Bryan Conway, and ^{KM} Kay Marinos

SUBJECT: OREGON PUBLIC UTILITY COMMISSION STAFF: Request to approve Negotiated Interconnection Agreements and Amendments submitted pursuant to Section 252(e) of the Telecommunications Act of 1996.

STAFF RECOMMENDATION:

Staff recommends the Commission approve the new negotiated agreements and amendments to previously negotiated agreements listed below, with the agreements and the amendments to be considered legally enforceable on the date of Commission approval.

DISCUSSION:

47 U.S.C. Sections 252(a) and (e) (hereafter "Section 252") require that any negotiated interconnection agreement, including amendments to an existing agreement, be submitted to a state commission for approval. Under the Act, the Commission must approve or reject such agreements within 90 days of filing. The Commission may reject an agreement only if it finds that:

(i) the agreement, or portion thereof, discriminates against a telecommunications carrier not a party to the agreement; or

(ii) the implementation of such agreement, or portion thereof, is not consistent with the public interest, convenience, and necessity. See Section 252(e)(2).

An interconnection agreement or amendment thereto is not legally enforceable until approved by a state commission. See Sections 252 (a) and (e). Accordingly, although the contracting parties may state in the agreement that each will abide by the agreement prior to its approval by the Commission, the legally enforceable date under Section 252 of any submitted agreement or amendment is the date the Commission approves it.

Staff has reviewed the following agreements and amendments submitted for Commission approval:

Docket	Parties to the Amendment or Agreement
ARB 1028	United States Cellular Corporation and Asotin Telephone Company dba TDS Telecom
ARB 1029	United States Cellular Corporation and Home Telephone Company dba TDS Telecom
ARB 649(6)	Comcast Phone of Oregon, LLC and Qwest Corporation dba CenturyLink QC
ARB 653(1)	Sprint Communications Company, LP and United Telephone Company of the Northwest dba CenturyLink
ARB 697(1)	United States Cellular Corporation and Roome Telecommunications, Inc.

Staff recommends approval of the agreements and the amendments. Staff finds that the agreements and the amendments do not discriminate against non-party telecommunications carriers and do not appear to be inconsistent with the public interest, convenience, and necessity. Accordingly, Staff concludes that there is no basis under the Act to reject the agreements or the amendments.

PROPOSED COMMISSION MOTION:

The new agreements and amendments to previously negotiated agreements listed above be approved.
