On August 17, 2006, the Administrative Law Judge issued a Ruling setting yesterday, August 21, 2006, as the date by which a stipulation regarding direct access issues, along with supporting filings, was to be filed. Work on the final language of the Stipulation was not completed by yesterday. It is now complete, and a Direct Access Stipulation and supporting joint testimony are filed herewith. PGE requests that the ALJ allow the filing of the stipulation and testimony today, and not change any of the other previously set dates.

The Citizens' Utility Board has not joined in the Stipulation, but has indicated that it will

not oppose the Stipulation. PGE is not aware of any party that intends to oppose this stipulation, so does not believe any party will be prejudiced by allowing this late filing.

CONCLUSION AND EXPEDITED CONSIDERATION REQUEST

For the reasons discussed above, PGE requests that the Administrative Law Judge issue an order allowing the late filing of the Direct Access Stipulation and supporting joint testimony. Since the deadline for filing was yesterday, and there is a deadline for objecting to the stipulation set for next week, expedited consideration of this motion is requested.

DATED this 22nd day of August, 2006.

Respectfully submitted,

/S/ DOUGLAS C. TINGEY
