DISPOSITION: SCHEDULE SUSPENDED

On January 31, 2007, Oregon Trail Electric Consumers Cooperative, Inc. (OTECC) and Almega Cable submitted a joint status report. In that report, they stated that they had reached an agreement.

The terms of the agreement are as follows: Almega Cable will pay monthly payments totaling \$17,274.40 as payment for back rents and sanctions by December 31, 2007, and remedy sixteen remaining violations on OTECC poles or remove those attachments by June 3, 2007. OTECC agrees to move for dismissal of this case within 30 days of confirmation of Almega Cable's fulfillment of the agreement.

Due to this agreement, the schedule in this docket will be suspended until further notice is submitted by the parties, to either terminate the case or reactivate proceedings.

Dated at Salem, Oregon, this 6th day of February, 2007.
