Salem, OR 97308-2148

RE: ARB 789

Dear Judge Arlow:

Following discussion of this case, it appears that the parties will be able to negotiate remaining issues on their own. The parties propose to submit a negotiated interconnection agreement to the Commission on or before Friday, March 21, 2008. Accordingly, we ask that you hold in abeyance any determination in this matter until further notice.

Very truly yours,

Jennifer L. Niegel
