**DISPOSITION: PETITION TO INTERVENE CONDITIONALLY
GRANTED**

On April 4, 2007, the Utility Reform Project (URP) and Ken Lewis petitioned to intervene in this case. URP asserts that, among its principal purposes is to represent its members and utility ratepayers generally in proceedings before the Commission. Petitioners state that they will not unreasonably broaden the issues or burden the record. Petitioners seek no alteration to the existing schedule of the proceeding.

The petitions by URP and Mr. Lewis are conditionally granted. Any person wishing to contest either petition may do so within 10 days of service of the petition. If no person contests them, the decision to grant the petitions shall be final.

Dated at Salem, Oregon, this 5th day of April, 2007.
