

**PUBLIC UTILITY COMMISSION OF OREGON  
INTEROFFICE CORRESPONDENCE**

**DATE:** September 30, 2008

**TO:** Administrative Hearings Division

**FROM:** Lisa Schwartz 

**SUBJECT:** AR 515 compliance filing of PacifiCorp pursuant to Order No. 07-319

On September 25, 2007, PacifiCorp filed standard net metering forms in compliance with Order No. 07-319 (Docket AR 515), requiring the company to file the forms within 60 days of the effective date of the order. The forms included interconnection applications for levels 1, 2 and 3, interconnection agreements for levels 1, 2 and 3, impact study and facilities study agreements for level 3 interconnections, and a net metering agreement. The Hearings Division advised that the compliance filing was effective immediately.

In April 2008, PacifiCorp advised that based on customer feedback, the company was modifying its forms, including consolidating the interconnection application, interconnection agreement and net metering agreement into a single form for each level of interconnection. In May 2008, staff reviewed PacifiCorp's draft revised forms and provided comments to the company. Staff reviewed PacifiCorp's subsequent revisions in response to staff's comments.

PacifiCorp filed its final revised interconnection and net metering agreements on July 31, 2008. I find the revised forms comply with Order No. 07-319.
