_____)	

The Citizens' Utility Board of Oregon (CUB) requests a grant of \$20,075 from the PGE Issue Fund.

CUB is precertified as per OAR 860-012-0100(3)(a). UE 192 is an eligible proceeding under the Intervenor Funding Agreement, adopted by the Commission in Order No. 03-388 (July 2, 2003), because the proceeding directly affects PGE, a participating public utility. Agreement, 1(c). CUB filed its Notice of Intent to Request a PGE Issue Fund Grant concurrent with its Notice of Intervention, as required by the Intervenor Funding Agreement. Agreement 6.2.

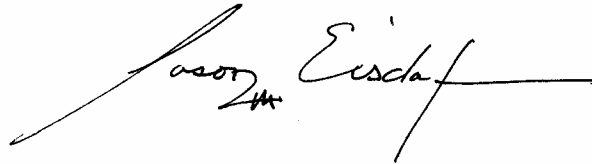

Pursuant to paragraph 6.3 of the Intervenor Funding Agreement, the proposed budget must identify certain points of information. We provide the information below.

- 1) *Statement of Work to be Performed:* CUB intends to participate in every procedural aspect of this case. We participated in the pre-hearing conference. We will attend and participate in all or most settlement meetings, hearings, and Commission presentations. We will review and analyze the Company's opening filing and testimony, other parties reply testimony, the Company's rebuttal, and all briefs. We will pursue discovery of PGE through data requests, and will respond to data requests asked of us. We will file reply testimony and briefs, and offer recommendations to the Commission on PGE's filing.
- 2) *Description of Areas to be Investigated:* CUB intends to investigate many issues related to this application, including, but not limited to:
 - A. The modeling used to forecast PGE's net variable power costs;
 - B. The assumptions used as inputs to the model;
 - C. Any interactions between this filing and the Company's IRP; and
 - D. Issues raised by other parties to the proceeding.
- 3) *Description of the Class or Classes Benefiting from CUB's Participation:*

CUB represents the interests of PGE's residential customers, though other customer classes may benefit from many aspects of our participation.
- 4) *The Specific Fund from which CUB Seeks an Issue Fund Grant:* CUB is seeking an issue fund grant from the PGE Issue Fund.

5) *The Budget Showing Estimated Fees and Costs:* CUB's budget accompanies this document as Attachment A. The total grant request from the PGE Issue Fund is \$20,075. This assumes a fully litigated case; settlement of some or all issues would reduce the ultimate request for reimbursement. CUB staff will keep track of their participation by hours and activity.
