**DISPOSITION: TIME SHORTENED TO REPLY TO MOTION**

On August 19, 2008, Crooked River Ranch Water Company (Crooked River) filed a motion requesting an extension of time for filing its testimony. In support of its motion, Crooked River states that it needs more time for its accountant and attorneys to review and respond to testimony filed by the Staff of the Public Utility Commission of Oregon. Crooked River asks for an additional four weeks to submit its testimony, now due to be filed not later than August 25, 2008.

So that the Commission may be fully informed when a ruling is made on Crooked River’s motion, I hereby shorten the time for any party to file a response.

IT IS ORDERED that parties may file a response to Crooked River’s motion not later than August 25, 2008.

Dated at Salem, Oregon, this 20th day of August, 2008.
