See Confidential Exhibit B

Part II. Conditions to Provide OTAP Services to Qualifying Oregonians

These conditions apply in addition to the general conditions of certification. Violating these conditions, or misrepresenting information provided to PUC in the course of administering the OTAP programs may result in cancellation of your Telecommunications Provider's Certificate, your authority to provide OTAP Services and/or an order requiring you to refund with interest and penalties of any OTAP support distributed under false information.

1. The applicant agrees to offer reduced residential rates to eligible low-income customers pursuant to the Oregon Telephone Assistance program (OTAP). See OAR 860-033-0001 through 0046.
2. The applicant understands that only PUC may approve OTAP benefits for the consumer and provide benefits to OTAP consumers after PUC has notified the applicant of their eligibility. A telecommunication provider who grants OTAP benefits to ineligible customers will have the total amount of the OTAP benefits that were given to those customers deducted from the monthly or quarterly OTAP reimbursement invoices that the telecommunications provider submits to the Commission (OAR 860-033-0045 (1) (d)).
3. The applicant agrees that they will ensure the consumer will see their OTAP credit within 30 days from the date that the applicant has been notified of the consumer's eligibility status, and to remove consumers within 30 days after they no longer qualify for OTAP benefits.
4. The applicant agrees that if an OTAP consumer did not receive his or her benefits from the applicant after being approved by the Commission, that the applicant will reimburse the consumer up to a maximum of one year of OTAP benefits credited to their telephone line (OAR 860-033-0030 (7)).
5. The applicant agrees that they will submit reports for reimbursement quarterly (if they have less than 1,000 OTAP consumers) or monthly (if they have more than 1,000 OTAP consumers). Reports are expected to be submitted even if there are zero consumers (OAR 860-033-0045 (1)).
6. The applicant agrees that upon request, a qualifying OTAP recipient shall be entitled to toll limitation service from an eligible telecommunications carrier, when available, at no additional charge. Further, the applicant agrees not to deny or disconnect basic service to an OTAP customer for failure to pay toll charges, or require a deposit from OTAP consumers who voluntarily elect to receive toll-blocking services. (OAR 360-021-0200 (5), and 360-021-0335 (4) (b)).
7. An OTAP recipient is required to be the named subscriber to the local telecommunication service in order for that household to qualify for OTAP benefits. PUC may waive this requirement if it determines that good cause exists. Applicant agrees to comply with reimbursing OTAP consumers who are not named subscribers at the Commission's request.
8. The applicant agrees to ensure that confidential information (including phone number, addresses, contact information and social security numbers) of an OTAP recipient is protected (OAR 360-033-0030 (5)). The applicant agrees to maintain a written policy to ensure that the applicant's staff does not breach the confidentiality of OTAP consumers, and to do background checks on employees who have access to customer records.

9. The applicant agrees to have in place the appropriate safeguards and firewall technologies to protect customer service information stored electronically.

APPLICANT UNDERSTANDS ALL OF THE ABOVE CONDITIONS AND AGREES TO ABIDE BY ALL APPLICABLE COMMISSION RULES, STATE LAW AND THE CONDITIONS OF CERTIFICATION. PLEASE INITIAL BOX AT LEFT.
