**DISPOSITION: SCHEDULE MODIFIED**

By motion filed November 27, 2007, with the Public Utility Commission of Oregon, Michael Weirich, attorney for the Commission Staff, requests a change in the schedule in this matter. In support of the motion, Mr. Weirich states that he has contacted the parties and indicates that parties do not oppose the motion. However, “while staff is unaware of any party that opposes this motion, it cannot entirely eliminate that possibility as of the time this motion was filed.” As grounds for the motion, Mr. Weirich states that “Staff’s request is based upon the inherent complexity involved with analyzing any IRP, coupled with the current unusually heavy workload for primary staff...”

Staff’s proposed schedule is:

Staff final comments, recommendation, draft order	January 4, 2008
Reply to staff comments	January 22, 2008
Staff public meeting report due	February 19, 2008
Staff public meeting presentation	March 11, 2008

Staff’s motion was served electronically on all parties. No party has objected. Staff has shown sufficient grounds for its motion.

The proposed schedule is adopted.

Dated at Salem, Oregon, this 28th day of November, 2007.
