DISPOSITION: MOTION GRANTED; SCHEDULE MODIFIED

At a conference held on March 14, 2008, a revised schedule for the remainder of the docket was adopted by the Administrative Law Judge. Among other dates, the schedule set April 10, 2008, as the due date for the Staff Report and April 14, 2008, as the date for a “Special Public Meeting (if necessary).”

On April 10, 2008, the staff of the Public Utility Commission of Oregon (Staff) filed a Stipulated Motion to Amend Procedural Schedule (Motion), requesting that the due date for the filing of the Staff Report be extended from April 10 to April 17, 2008, and allowing the report to be submitted as a public meeting memorandum at the regularly scheduled Public Meeting to be held on April 22, 2008, as an agenda item. Staff also therefore requests that the tentative date for the Special Public Meeting be canceled.

In support of its Motion, Staff states that it “has been, and still is, working with Portland General Electric Company (PGE) to address concerns staff has had with PGE’s Revised Draft RFP.” Staff states that PGE and Renewable Northwest Project, the only active parties in the proceeding, have authorized it to represent that they do not oppose the Motion.

I find that good cause exists to grant the Motion and that granting the Motion will not unduly delay the proceedings or burden the record.

RULING

The Motion is GRANTED.

Dated at Salem, Oregon, this 10th day of April, 2008.
