### **Motion for Standard Protective Orders**

Avista made an oral motion for the issuance of standard protective orders in both dockets. No party appearing at the conference objected to the motion. The administrative law judges (ALJs) took the motions under advisement, and separate orders will be issued disposing of the motions.

## **Petition to Intervene**

On November 29, 2007, NWIGU submitted a Petition to Intervene and Notice of Intent to seek intervenor funding in docket UG 181. Upon review of this petition, ALJ Sarah Wallace finds that NWIGU has sufficient interest in the proceeding, and that its appearance and participation will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. *See* OAR 860-012-0001. NWIGU's petition to intervene is conditionally granted. Any person wishing to contest the petition may do so within 10 days of service of the petition. If no person contests the petition, the decision to grant the petition shall be final.

Dated this 4th day of December, 2007, at Salem, Oregon.
