

ISSUED: September 1, 2009

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 1355

In the Matter of the

PUBLIC UTILITY COMMISSION OF
OREGON

Investigation into Forecasting Forced Outage
Rates for Electric Generating Units.

**CORRECTED
RULING**

DISPOSITION: MOTION GRANTED

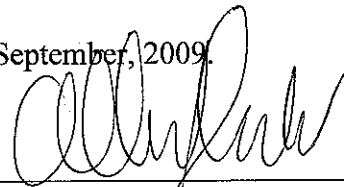

Pursuant to my Ruling of August 20, 2009, parties were to submit all data requests for inclusion in the record by August 31, 2009. On August 31, 2009, PacifiCorp, on its own behalf and on behalf of the Commission Staff, the Citizens' Utility Board, and the Industrial Customers of Northwest Utilities submitted PacifiCorp's Stipulated Motion for Extension of Time to Submit Data Requests into the Record (Motion). In the Motion, PacifiCorp notes that the parties have agreed to a one-day extension of this deadline to allow time to review any proposed submissions for completeness and evidentiary objections and asks the Commission to grant this one day extension accordingly.

I find that good cause exists to grant the Motion and that the one day extension will not unduly delay the proceedings or burden the record.

RULING

PacifiCorp's Stipulated Motion for Extension of Time to Submit Data Requests into the Record is GRANTED. Parties shall submit all data requests for inclusion in the record by close of business on **Tuesday, September 1, 2009**.

Dated at Salem, Oregon, this 1st day of September, 2009.
