DISPOSITION: TIME SHORTENED TO FILE OBJECTIONS

On May 5, 2008, several parties filed a stipulation in this matter. Parties to the stipulation are Willamette Water Company, the Goshen Fire District, and the Commission Staff. The stipulation resolves all issues in this proceeding.

Pursuant to OAR 860-014-0085(5), within 20 days of the filing of the stipulation any party may file written objections or request a hearing. "Upon request or its own motion, the Commission or ALJ may set another time period for objections and request for hearing."

The stipulation was signed by all parties who participated in the settlement conferences. Because the stipulation appears uncontested, the time for filing written objections or requesting a hearing is shortened to 10 days.

Dated this 8th day of May, 2008, at Salem, Oregon.
