STAFF RECOMMENDATION:

DISCUSSION:

ORS 759.020 authorizes the Commission to grant certificates of authority to competitive providers who intend to provide telecommunications service in Oregon. The Commission grants certificates with conditions. Among them are OAR 860-032-0095 which requires providers to pay an annual revenue fee and submit an annual fee statement. In addition, ORS 759.425 requires providers to comply with Oregon Universal Service Fund (OUSF) requirements. Pursuant to OAR 860-032-0008(2) and OAR 860-032-0015(1)(b), failure to comply with applicable statutes and rules can result in cancellation of a company's authority to provide telecommunications service in Oregon.

The following competitive provider has failed to:

1. File an original, signed 2017 annual fee statement or pay the annual fee; and
2. Comply with OUSF requirements for 2nd Quarter 2018.
