Re: AR 525 - Division 036 Amendments - Water Utility Regulation

Dear Judge Wallace:

As General Manager of the Crooked River Ranch Water Co-op, I am requesting an extension of time to submit comments on the proposed changes to the 036 policy. The revision that the PUC submitted came out late Friday afternoon, and the hearing was held at 9:30 Monday morning. It did not provide those of us who had to travel to the hearing time to actually review and consider the impact of the changes.

We are in the process of preparing bills this week, so we would request a 2 week extension of time if at all possible.

Thank you for your consideration of this matter.

Sincerely,

/s/

James Rooks
General Manager
