Re: ICC VoIP Amendment between Sprint Communications Company L.P.
and CenturyTel of Oregon, Inc., dba CenturyLink QC
ARB 830

Dear Ms. Walker:

On September 10, 2014, a fully executed ICC VoIP Amendment to the Interconnection Agreement between Sprint Communications Company L.P. and CenturyTel of Oregon, Inc., dba CenturyLink was filed with the Public Utility Commission, Tracking No. 4057. This letter is to clarify that the Amendment filed **replaces** the ICC VoIP Amendment which was filed on July 18, 2014.

Thank you for your assistance.

Very truly yours,
