Re: UM 1372 PGE Application for Deferral of Costs for Services Associated with the Suspension of the Residential Exchange and Subsequent Proceedings and Resumption of the 2007 BPA Power Wholesale Rate Case

Attention Filing Center:

On March 13, 2008 PGE filed an application for authorization to defer certain incremental expenses associated with BPA-related matters, including the Residential Exchange Program ("REP") established by section 5(c) of the Northwest Power Act. The Commission has not yet acted on this request.

PGE has determined that this deferral is no longer required and withdraws its deferral application in UM-1372. We further request that the docket be closed.

If you have any questions or require further information, please call me at (503) 464-7580.

Sincerely,

Patrick G. Hager
Manager, Regulatory Affairs
