**DISPOSITION: PETITION TO INTERVENE CONDITIONALLY  
GRANTED**

A petition to intervene was filed on behalf of the Oregon Department of Energy (DOE) on May 8, 2008.<sup>1</sup> Upon review of this petition, I find that the DOE has sufficient interest in the proceeding and its appearance and participation will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. *See* OAR 860-012-0001. DOE’s petition to intervene is conditionally granted. Any person wishing to contest the petition may do so within 10 days of service of the petition. If no person contests the petition, the decision to grant the petition will be final.

Dated this 13<sup>th</sup> day of May, 2008, at Salem, Oregon.

<sup>1</sup> The DOE’s petition referred to docket number UE 198, but used the caption for docket number UE 197. Because DOE submitted petitions to intervene in both dockets on May 8, 2008, I assume the error was inadvertent and irrelevant to the substance of the DOE’s petition.
