RE: UE 199 Status Update

Dear ALJ Power,

On May 14, 2009, a memorandum was issued instructing Staff to inform the Commission of the status of a pending settlement no later than May 21, 2009. The parties believe that they have reached a settlement in principle, but need a short amount of additional time to get final approval from all necessary party members and finalize drafting. Staff believes that the parties will be able to file settlement documents no later than May 29, 2009.

If no settlement documents are filed by that date, Staff will provide a status update no later than May 29, 2009. If you have any questions, please do not hesitate to contact me.

Sincerely,

Jason W. Jones
Assistant Attorney General
Regulated Utility & Business Section
