Re: UM 1374 – Supplemental Submission from the Oregon Independent Evaluators  
Boston Pacific Co. – Chehalis Power Generating Plant

Dear Judge Kirkpatrick:

In its letter submitted July 2, 2008, staff filed a highly-confidential Non-Public Information document entitled “Supplemental Analysis of PacifiCorp’s Waiver Request for the Chehalis Power Generating Plant” (Report) in PUC Docket UM 1374 on behalf of one of the Oregon Independent Evaluators, Boston Pacific. In its letter, staff noted that the Report was not complete and that staff hoped to file highly-confidential Non-Public Information Exhibit 3 that accompanies the Report today.

Accordingly, staff hereby submits Exhibit 3 to the Report and again notes that it contains highly-confidential Non-Public Information that should only be disclosed and distributed in accordance with your Special Protective Order (Order No. 08-326). I am submitting this highly-confidential Non-Public Information Final Report in a CD format in the manner specified by the Special Protective Order (i.e. placed within a sealed, marked, envelope).

Please note that I am not serving the Non-Public Information on any UM 1374 party. Any party desiring to view this highly-confidential information must first comply with the Special Protective Order’s requirements and then submit a request for copies of such information directly to the Public Utility Commission’s Administrative Proceedings Division.

Sincerely,

Michael T. Weirich  
Assistant Attorney General
