**DISPOSITION: SCHEDULE VACATED**

By motion filed July 1, 2008, the Public Utility Commission of Oregon Staff (Staff) requests that the schedule in this docket be modified as set forth in the motion. Staff requests expedited consideration of its motion.

Pursuant to the existing schedule, Staff’s testimony is due to be filed on July 2, 2008. Among other things, Staff proposes that Crooked River Ranch Water Company (Crooked River) be ordered to file its testimony before Staff files.

Concurrently, Staff filed a motion for summary disposition of this matter.

Together Staff’s motions have profound substantive and procedural implications for the schedule. In light of these considerations I vacate the date for the hearing now set in this matter.

A prehearing conference will be convened following a subsequent ruling on Staff's motions for a schedule change and for summary disposition, to set a new schedule.

Dated at Salem, Oregon, this 2nd day of July, 2008.
