**Subject:** Petition to Intervene  
PUC Docket No: DR-40

**Date:** 23 June 2008

Commissioners:

In the matter of Honeywell International, Inc. and Honeywell Global Finance LLC, and PacifiCorp (dba Pacific Power), assigned PUC Docket number DR-40, please find enclosed our original Petition to Intervene. Commercial Solar Ventures waives paper service in this matter.

We respectfully request intervener status because this inquiry has already significantly impacted work on some of our projects, and the outcome of the ruling has the potential to summarily terminate the third-party ownership segment of our business in the State of Oregon.

We appreciate your considerations in this matter.

Sincerely,

Sandra Walden  
Commercial Solar Ventures
