RULING

DISPOSITION: PETITIONS TO INTERVENE GRANTED

At the June 18, 2008, prehearing conference in this matter, I granted petitions to intervene from the Oregon Department of Transportation, Oregon Solar Energy Industries Association, the Oregon Department of Energy, the Energy Trust of Oregon, and the Central Lincoln People’s Utility District.

Following the conference, the following entities have also petitioned to intervene: SunEnergy Power Corporation; League of Oregon Cities; Portland General Electric Company, Citizens' Utility Board of Oregon; BacGen Solar Group; Natural Resources Defense Council; Gerding Edlen Sustainable Solutions; Environment Oregon; Oregon Peoples Utility District Association; Renewable Northwest Project; Interstate Renewable Energy Council; and Commercial Solar Venture & Real Energy Solutions

I find that these parties have sufficient interest in the proceeding and that their appearance and participation will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. Accordingly, the petitions are granted. *See* OAR 860-012-0001.

Dated at Salem, Oregon, this 24th day of June, 2008.
