Request for a General Rate Revision.)	

On March 18, 2009, Staff of the Public Utility Commission of Oregon (Staff) and Clearwater Source LLC (Clearwater) filed a stipulation resolving all issues in the case. Staff states that Mr. Jerry Anderson, the only intervenor in this case, participated in settlement discussions leading up to the stipulation, but neither supports nor objects to the stipulation at this time.

Under the Commission’s rules, a party may object to a stipulation within 20 days after a stipulation is filed. In this case, objections to the stipulation are due by **April 7, 2009**. If objections are filed, a copy of the written objections must be mailed or delivered to each of the parties in the docket (here, Staff and Clearwater). The filing party must state in its filing that a copy of the objections has been sent to each party in the case. See OAR 860-013-0070.

Dated at Salem, Oregon, this 19th day of March, 2009.
