**Re: UM 1401 – INVESTIGATION INTO INTERCONNECTION OF PURPA QF
LARGER THAN 10MW**

Dear Judge Grant:

PacifiCorp, Portland General Electric Company, and Idaho Power Company, “the Joint Utilities” in the above-referenced docket, were ordered to provide responses by December 18, 2009, to the questions contained in your Bench Request of November 30, 2009. The Joint Utilities have been working cooperatively to develop the responses but, due to holiday schedules, have been unable to finalize a coordinated response for filing by the deadline.

In light of the foregoing, Portland General Electric Company respectfully requests an Extension of Time on behalf of the Joint Utilities, until Tuesday, December 29, 2009, to submit a single filing containing our joint responses. In addition, the Joint Utilities have no objection to the other parties in the docket receiving additional time to respond to the Joint Utilities’ filing.

This document is being served upon the UM 1401 service list.

Thank you in advance for your assistance.

Sincerely,

A handwritten signature in cursive script that reads "Cece L. Coleman". The signature is written in black ink and is positioned above the typed name and title.
