Re: Docket LC 46—Proposed Schedule Revisions

Dear ALJ Pines:

Cascade Natural Gas Corporation respectfully request that the procedural schedule in docket LC46 be postponed by five (5) weeks to allow the Company additional time to adequately address Staff's concerns regarding the Company's 2008 Integrated Resource Plan. The Company distributed the proposed revised schedule to Staff and the other interested parties and no one has objected to the revised schedule.

The proposed schedule would be amended as follows:

Staff draft recommendations/draft order due	June 16
Comments on Staff recommendations due	June 30
Staff final recommendations/draft proposed order due	July 14
Comments on Staff recommendations/public meeting	July 28

If there are any questions regarding this request, please contact me at (206) 381-6824.

Sincerely,

Katherine J. Barnard
Sr. Director-Gas Supply & Regulatory Affairs
