RE: UW 133 Status Update

Dear ALJ Power,

In your memorandum dated March 4, 2009, you provided that Staff and Fish Mill should work together to determine whether they may be able to agree on Fish Mill's proposed agreement, docketed as UW 133. Staff and Fish Mill have discussed the proposed agreement. As a result of those discussions, on March 13, 2009, Fish Mills filed a Motion to Withdraw Petition and to Dismiss UW 133.

Assuming that Fish Mill's Motion to Withdraw and to Dismiss is granted, there will no longer be an issue in this proceeding. Therefore, Staff does not propose any further proceedings in this docket.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Jason W. Jones
Assistant Attorney General
Regulated Utility & Business Section
