In the Matter of

PACIFICORP, dba PACIFIC POWER

2010 Transition Adjustment Mechanism.

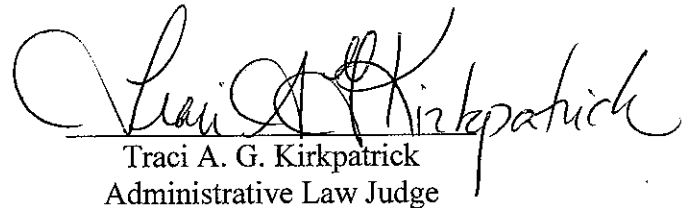

MEMORANDUM

**DISPOSITION: CROSS-EXAMINATION SCHEDULE
ESTABLISHED**

I have reviewed the statements of cross-examination filed by Staff and parties in this proceeding. The hearing in this proceeding begins at 9:30 a.m. on September 14, 2009. The order of witnesses and the amounts of time allotted for cross-examination are set forth in Attachment A.

If no party has requested an opportunity to cross-examine the testimony of a particular witness, that witness need not be called at the hearing. However, OAR 860-014-0060 requires testimony to be sworn to, either orally or in writing, prior to being received into the record. Consequently, an affidavit will need to be filed by each witness not called at the hearing. Each affidavit must state that the testimony previously filed is true and accurate and that no corrections need to be made, or alternatively, that corrections are necessary, as specified with citations to the testimony. The affidavits must be filed by September 18, 2009.

Dated this 9th day of September 2009, at Salem, Oregon.
