

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UE 209

In the Matter of Portland General Electric
Company's Renewable Resources Automatic
Adjustment Clause (Advice No. 09-06,
Schedule 122)

**MOTION FOR AMENDMENT TO
SCHEDULE
[EXPEDITED CONSIDERATION
REQUESTED]**

Portland General Electric Company ("PGE") requests that the Commission amend the schedule in this docket. Following a prehearing conference on April 21, 2009, the Administrative Law Judge set a schedule for the remainder of this docket. On July 10, 2009, Staff filed a motion, supported by all other parties, requesting that the date for Staff and Intervenor testimony be changed to July 22, 2009. That request was granted. Staff, the Oregon Department of Transportation, the Citizens' Utility Board, and ICNU have taken active roles in this docket and are referred to as the "active parties."

Because of accounting issues that need to be addressed, and ideas raised at settlement discussions to be explored, PGE, with the support of the other active parties in this docket, requests the dates for testimony and hearings in this matter be somewhat delayed. PGE and the active parties have discussed a complete schedule but further discussion is needed. PGE and the other parties request that the date for Staff and Intervenor testimony, currently set for July 22, 2009, be delayed to August 11, 2009. The active parties will endeavor to agree on dates for the remainder of the schedule and file an appropriate motion. If a schedule cannot be agreed upon, PGE will file a request for a scheduling conference.

EXPEDITED CONSIDERATION REQUEST

Since the date for Staff and Intervenor testimony currently set is today, the PGE requests expedited consideration of this motion.

DATED this 22nd day of July, 2009.

Respectfully submitted,

/S/ DOUGLAS C. TINGEY
