UE 209

In the Matter of Portland General Electric
Company's Renewable Resources Automatic
Adjustment Clause (Advice No. 09-06,
Schedule 122)

**MOTION FOR AMENDMENT TO
SCHEDULE
[EXPEDITED CONSIDERATION
REQUESTED]**

Portland General Electric Company ("PGE") hereby requests that the Commission amend the procedural schedule in this docket. PGE and the other active parties to this docket, Staff, the Oregon Department of Transportation, the Citizens' Utility Board, and the Industrial Customers of Northwest Utilities ("ICNU") have been engaged in settlement discussions in this docket, and have another settlement conference scheduled for next week. The active parties believe they will be able to reach a settlement of all issues in this docket.

Under the current schedule, PGE will provide responses to Data Requests to Intervenors and Staff today and there will be a settlement conference on Monday, August 10, 2009. Staff and intervenor reply testimony is currently due August 11, 2009. The active parties desire additional time for review and discussion of the responses to the data requests and for settlement discussions prior to preparing and filing further testimony. Accordingly PGE, with the support of the other active parties, requests that the Administrative Law Judge delay the date for Staff and intervenor reply testimony by one week, to August 18, 2009.

EXPEDITED CONSIDERATION REQUEST

Since the date for Staff and intervenor testimony currently set is next Tuesday, PGE requests expedited consideration of this motion.

DATED this ^{6th} day of August, 2009.

Respectfully submitted,
