Subject: Oregon ETC Filing

Hi Susan,

I received the Annual Oregon ETC Recertification report. Thank you for getting it in! Unfortunately, there are two reports that need to be corrected before it is fully complete.

The first is Report #1. All we need here is to have the information regarding the tariffs completed. While the rates are listed, the necessary company name, tariff number, section and page numbers are not. Once that is completed, Report #1 is complete. ✓

The second issue is Report #9.1. We need a copy of the actual letter sent for certification for ICLS. The website reference is not acceptable for this. ✓

When these reports are ready, you will need to submit them electronically and follow up with the hard copy. Please include the cover sheet referencing **UM 1426** (not 1325), marking it "Revised submission" and stating the reports that are being revised.

Please give me a call if you have any questions.

Thank you,
Celeste Hari
