RE: Docket UM 1426 – Annual ETC Report of U.S. Cellular

Dear Sir or Madam:

Enclosed for filing in the above referenced docket are an original and two copies of the “2009 Annual ETC Recertification Report of U.S. Cellular”. Exhibits 3.B, 4.2.A, 4.2.B, 7, 7.1, 7.2, 7.3, 7.3.2.2.1, 7.3.2.2.6 and 7.4 contain confidential information. These are being filed as confidential pursuant to OAR 860-11-0080 and are exempt from disclosure under the Oregon Public Records law, ORS 192.410 to 192.505. The information contained in these documents constitutes “trade secrets” as that term is defined in ORS 192-501(2).

Despite the relatively short timeframe permitted, U.S. Cellular has worked diligently to recast its Network Improvement Plan for 2008, 2009 and 2010, in an attempt to comply generally with recommendations from Commission Staff regarding the treatment of operating expenses. *See Confidential Report #7*, enclosed. U.S. Cellular has done so in a good faith effort to cooperate with Commission Staff. Compliance with Staff’s recommended approach, however, is done with a full reservation of rights to include in future recertification reports any and all operating expenses allowed under applicable federal law, including any operating expenses associated with “the provision, maintenance, and upgrading of facilities and services” within U.S. Cellular’s Oregon ETC area. *See 47 U.S.C. §254(e) and 47 C.F.R. §54.7.* Staff’s recommended approach to operating expenses unduly excludes categories of operating expense for which federal universal service support may lawfully be used.

If you have any questions regarding this filing please contact me.

Very truly yours,

Davis Wright Tremaine LLP

DOCKET NO. UM 1426

AFFIDAVIT CERTIFYING USE OF UNIVERSAL SERVICE FUNDS

I, John C. Gockley, being of lawful age and duly sworn, on my oath, state that I am the Vice President, Legal and Regulatory Affairs of United States Cellular Corporation ("Company") and that I am authorized to execute this Affidavit on behalf of the Company, and the facts set forth in this Affidavit are true to the best of my knowledge, information and belief.

Pursuant to the rules of the Federal Communications Commission, 47 C.F.R. § 54.314, there must be annual certification that funds received under the federal Universal Service Fund programs will be used only for the provision, maintenance and upgrading of facilities and services for which the support is intended. The Company hereby certifies to the Public Utility Commission of Oregon that pursuant to 47 C.F.R. § 54.7, and for purposes of the certification required under 47 C.F.R. § 54.314, the company will use all federal high-cost support provided to it only for the provision, maintenance and upgrading of facilities and services for which the support is intended, consistent with the principles of universal service set forth in 47 U.S.C. 254. This includes, but is not limited to, trying to meet the goal of the provision of services that are properly supported by the high-cost funds at rates that are reasonably comparable to rates charged for similar services in urban areas.
