**RE: PGE's Critical Peak Pricing (CPP) Pilot Report**

Filing Center:

PGE requests additional time to file our final Critical Peak Pricing (CPP) pilot report. Commission Order No. 09-395 (Docket No. UM 1427) directs PGE to "file reports on the CPP pilot no later than six months after each of the first and second year of the two-year pilot." A primary component of the report is a third-party evaluation of the CPP program. DNV GL is preparing the final evaluation and requires additional time to complete. As a result, we request an extension to June 1, 2014.

If you have any questions or require additional information, please call me at (503) 464-7580 or Alex Tooman at (503) 464-7623.

Sincerely,
