RULING  
CLARIFICATION

DISPOSITION: DUE DATE FOR STAFF'S *FINAL DRAFT ORDER* IS  
POSTPONED; DUE DATE FOR STAFF'S *FINAL*  
*COMMENTS* IS NOT POSTPONED

By motion filed on December 3, 2009, Staff of the Public Utility Commission of Oregon (Commission Staff) sought permission to not file a draft order with final comments as scheduled on December 8, 2009. In granting Staff's motion on December 4, 2009, I directed that the due date for Staff to file final comments and a draft order was postponed. Counsel for Staff subsequently indicated to me that Staff sought permission only to not file a final draft order on December 8, 2009. Counsel for Staff stated that Staff still intended to file final comments on December 8.

My ruling is clarified to indefinitely postpone the due date for Staff's final draft order. Staff's Final Comments, however, remain due on December 8, 2009. Again, I request that Staff advise me whether any other due dates need to be revised to accommodate the postponement.

Dated this 7th day of December, at Salem, Oregon.
