RULING

DISPOSITION: PETITIONS TO INTERVENE GRANTED

The Industrial Customers of Northwest Utilities (ICNU) and Portland General Electric Company (PGE) filed petitions to intervene in the above captioned docket on June 30, 2009 and July 1, 2009, respectively. The period to contest each petition has passed. Upon review of these petitions, I find that ICNU and PGE have sufficient interest in the proceeding, and that their participation as parties will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. *See* OAR 860-012-0001. I grant the petitions to intervene of ICNU and PGE.

Dated this 13th day of July, 2009, at Salem, Oregon.
