2. This Intervenor, the Oregon Industrial Customers of Idaho Power, ("OICIP") is an unincorporated association of Schedule 19 customers of Idaho Power. All OICIP members receive electric utility services from Idaho Power Company. The OICIP claims a direct and substantial interest in this proceeding in that the outcome will affect the company's power purchase costs which is likely to affect this intervenor's rates for service from Idaho Power Company.

3. This Intervenor, in its capacity as a representative of industrial customers intends to participate herein as a party, and if necessary, to introduce evidence, submit comments, and fully participate in any hearing that may occur including the calling and cross examination of witnesses. The nature and quality of evidence which this Intervenor will introduce is dependent upon the nature and effect of other evidence in this proceeding.

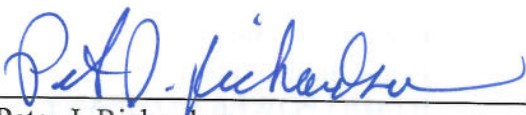

5. Without the opportunity to intervene herein, this Intervenor would be without any effective means of participation in this proceeding which may have a material impact on its electric rates and terms and conditions of service.

6. Granting this Intervenor's petition to intervene will not unduly broaden the issues nor will it prejudice any party to this case.

**WHEREFORE**, the Oregon Industrial Customers of Idaho Power respectfully requests that this Commission grant its Petition to Intervene in these proceedings and to appear and participate in all matters as may be necessary and appropriate; and to present evidence, call and examine witnesses, present argument at any hearing that may occur, and to otherwise fully participate in these proceedings.
