

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON
UM 1443**

In the Matter of Public Utility Commission of Oregon Investigation to Determine if Portland General Electric Company's Rate Revision is Consistent with the Methodologies and Calculations Required by Order No. 05-584.

**MOTION FOR APPROVAL OF
PROTECTIVE ORDER**

Pursuant to ORCP 36(C)(7) and OAR 860-12-0035(1)(k), Portland General Electric Company ("PGE") requests the issuance of a Protective Order in this proceeding. PGE believes good cause exists for the issuance of such an order to protect confidential market information and confidential business information, plans and strategies. In support of this Motion, PGE states:

1. The Commission's rules authorize Portland General Electric Company to seek reasonable restrictions on discovery of trade secrets and other confidential business information. See OAR 860-11-0000(3) (adopting Oregon Rules of Civil Procedure ("ORCP")); ORCP 36 (C)(7) (providing protection against unrestricted discovery of trade secrets or other confidential research, development or commercial information"). *See also In re Investigation into the cost of Providing Telecommunication Service* (UM 351) Order No. 91-500 (1991) recognizing that protective orders are a reasonable means to protect "the rights of a part to trade secrets and other confidential commercial information" and to "facilitate the communication of information between litigants").

2. PGE anticipates that parties to this docket may request detailed information regarding PGE's application for rate revisions establishing avoided cost purchases from Qualifying Facilities (QF) of 10,000 kW or less (Advice No.09-16). While PGE desires to

provide the requested information, it is obligated to keep the information confidential as it is sensitive business information and of significant commercial value. Its public disclosure could be detrimental to PGE and its customers.

3. The Commission should therefore issue a Protective Order to protect the confidentiality of that material. The requested order, identical to the one that the Commission customarily issues, is attached.

For the reasons stated above, PGE requests that a protective order be issued in this proceeding.

DATED, this 23rd day of September, 2009.

Respectfully submitted,

ORDER NO.

ENTERED

BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON

UM 1443

In the Matter of Public Utility Commission of Oregon Investigation to Determine if Portland General Electric Company's Rate Revision is Consistent with the Methodologies and Calculations Required by Order No. 05-584.

ORDER

DISPOSITION: MOTION FOR PROTECTIVE ORDER GRANTED

On September 23, 2009, Portland General Electric Company ("PGE") filed a Motion for a Protective Order with the Public Utility Commission of Oregon ("Commission"). PGE anticipates that there may be requests for further confidential information in this docket. PGE states that good cause exists for the issuance of a protective order to protect confidential business information, plans and strategies. PGE adds that the public release of such information could prejudice PGE and its customers.

Pursuant to OAR 860-012-0035(1)(k), I find that good cause exists to issue a Protective Order, attached as Appendix A. Under the terms of the order, a party may designate as confidential any information that falls within the scope of ORCP 36(C)(7).

Confidential Information shall be disclosed only to a "qualified person" as defined in paragraph 3 of the Protective Order. Authors of the confidential material, the Commission or its Staff, and counsel of record for a party or persons directly employed by counsel are "qualified persons" who may review confidential information. Other persons desiring confidential information must become qualified pursuant to paragraph 10.

To receive confidential information, however, all parties—with the general exception of Staff—must sign the Consent to be Bound Form attached as Appendix B. This includes the party seeking the issuance of the protective order, because any party may designate information as confidential under this order.

The confidentiality of confidential information shall be preserved for a period of five years from the date of the final order in this docket, unless extended by the Commission at the request of the party desiring confidentiality.

All persons who are given access to confidential information have the duty to monitor their own conduct to ensure their compliance with the Protective Order. Such persons

If any questions exist as to the status of any person to receive confidential information, the parties may contact the Administrative Hearings Division at (503) 378-6678.

ORDER

IT IS ORDERED that the Protective Order, attached as Appendix A, shall govern the disclosure of confidential information in this case.

A party may appeal this order to the Commission pursuant to OAR 860-014-0091.

11. All qualified persons shall have access to Confidential Information, unless the party desiring confidentiality protests as provided in this paragraph. The party desiring to restrict the qualified person(s) from accessing specific Confidential Information must provide written notice to the qualified person(s) and counsel for the party associated with the qualified person(s) as soon as the party becomes aware of reasons to restrict access. The parties must promptly confer and attempt to resolve any dispute over access to Confidential Information on an informal basis before filing a motion with the Administrative Law Judge. If the dispute cannot be resolved informally, either party may file a motion with the Administrative Law Judge for resolution. Either party may also file a motion if the other party does not respond within five days to a request to resolve the dispute. A motion must describe in detail the intermediate measures, including selected redaction, explored by the parties and explain why such measures do not resolve the dispute. After receipt of the written notice as required in this paragraph, the specific Confidential Information shall not be disclosed to the qualified person(s) until the issue is resolved.

Preservation of Confidentiality-

12. All persons who are given access to any Confidential Information by reason of this order shall not use or disclose the Confidential Information for any purpose other than the purposes of preparation for and conduct of this proceeding, and shall take all reasonable precautions to keep the Confidential Information secure. Disclosure of Confidential Information for purposes of business competition is strictly prohibited.

The Commission shall preserve the confidentiality of Confidential Information for a period of five years from the date of the final order in this docket, unless extended by the Commission at the request of the party desiring confidentiality. The Commission shall notify the party desiring confidentiality at least two weeks prior to the release of confidential information.

Destruction After Proceeding-

14. Counsel of record may retain memoranda, pleadings, testimony, discovery, or other documents containing Confidential Information to the extent reasonably necessary to maintain a file of this proceeding or to comply with requirements imposed by another governmental agency or court order. The information retained may not be disclosed to any person. Any other person retaining Confidential Information or documents containing such Confidential Information must destroy or return it to the party desiring confidentiality within 90 days after final resolution of this proceeding unless the party desiring confidentiality consents, in writing, to retention of the Confidential Information or documents containing such Confidential Information. This paragraph does not apply to the Commission or its Staff.

Appeal to the Presiding Officer-

15. If a party disagrees with the designation of information as confidential, the party shall contact the designating party and attempt to resolve the dispute on an informal basis. If the parties are unable to resolve the dispute, the party desiring to use the information may move for exclusion of the information from the protection conferred by this order. The motion shall:

- a. Specifically identify the contested information, and
- b. Assert that the information does not fall within ORCP 36(C)(7) and state the reasons therefore.

The party resisting disclosure has the burden of showing that the challenged information falls within ORCP 36(C)(7). If the party resisting disclosure does not respond to the motion within ten (10) calendar days, the challenged information shall be removed from the protection of this order.

The information shall not be disclosed pending a ruling by the Administrative Law Judge on the motion.

Additional Protection-

16. The party desiring additional protection may move for any of the remedies set forth in ORCP 36(C). The motion shall state:

ORDER NO.

- a. The parties and persons involved;
- b. The exact nature of the information involved;
