Re: OneLink Communications, Inc.  
OR PUC ID#: 09-467

Dear Sir or Madam:

OneLink Communications, Inc., a non-facilities-based long distance reseller, OR PUC ID#: 09-467, FEIN: 65-1108676, hereby notifies the Commission that the company has ceased all operations and gone out of business, having no assets, funds, staff or other resources. OneLink has terminated its lease and closed the corporate office located at 8400 N. University Dr., Ste. 204, Tamarac FL 33321 and terminated all staff.

However, before termination of business, OneLink did notify all Oregon long distance customers of the termination and assisted them with finding another long distance carrier.

As a result of this unexpected closing, notification of the cessation of business is the last and only function this office has authority to perform.
