AVISTA CORPORATION
Excerpt of Minutes of a
Meeting of the Board of Directors
Held on November 13, 2009

Next Mr. Anderson advised the Board that the Credit Agreement (\$200,000,000) dated November 26, 2008, among the Company, JPMorgan Chase Bank, N.A., as Documentation Agent, Wells Fargo Bank, National Association, as Syndication Agent, Union Bank of California, N.A., as Administrative Agent, and the lenders named therein (the "Existing Credit Facility") would by its terms expire on November 24, 2009. He then explained that the Company has been advised that several banks that are currently lenders to the Company under the Existing Credit Facility have expressed a willingness to consider lending funds to the Company in an aggregate amount of up to \$100 million through a new credit facility with a term of up to 17 months (which may be extended for one or more 364-day periods subject to certain conditions, including the consent of the lenders) (the "Additional Credit Facility"). He further explained that the Additional Credit Facility, like the Existing Credit Facility, would be secured by a series of bonds ("First Mortgage Bonds") issued under the Company's Mortgage and Deed of Trust, dated as of June 1, 1939, as heretofore amended and supplemented and as proposed to be further supplemented by an appropriate Supplemental Indenture and that any such First Mortgage Bonds would be issued in an aggregate principal amount equal to the amount of total commitment under the Additional Credit Facility.

He then advised the Board that the Finance Committee was recommending that the directors (1) authorize the appropriate Officers of the Company to (a) discuss and negotiate with banks or others which might act as agents for the establishment of the Additional Credit Facility and (b) file applications, as necessary, with the various state regulatory commissions exercising jurisdiction over the Company for authority to enter into the Additional Credit Facility, and (2) delegate to Scott L. Morris, Chairman of the Board, President & Chief Executive

Officer, to Mark T. Thies, Senior Vice President & Chief Financial Officer, or to the Finance Committee of the Board all authority to approve definitive plans for the Additional Credit Facility.

After discussion, the following resolutions were moved, seconded and unanimously adopted:

BE IT RESOLVED that, subject to the receipt of all required regulatory approvals, the Board of Directors hereby authorizes the establishment of Additional Credit Facility under which the Company may borrow an aggregate principal amount of up to \$100 million at any time, which may be secured (including by delivery of securities (“First Mortgage Bonds”) issued under the Company’s Mortgage and Deed of Trust, dated as of June 1, 1939, to Citibank, N.A., as trustee (the “Trustee”), as amended and supplemented (the “Mortgage”)) or unsecured, may bear interest at fixed or floating rates, for a term of up to 17 months (which may be extended for one or more additional 364-day periods with the approval of the Finance Committee of the Board), and may contain such other terms, covenants and conditions, all as may be determined by the appropriate Officers of the Company in light of prevailing financial market conditions and approved by Scott L. Morris, Chairman of the Board, President and Chief Executive Officer, or Mark T. Thies, Senior Vice President and Chief Financial Officer (such approval to be evidenced conclusively by execution of any application, agreement, filing, notice, or other document containing any such provisions by Mr. Morris or Mr. Thies); provided, however, that the foregoing authority shall not include the authority to extend the maturity of or renew the Additional Credit Facility absent the prior approval of the Finance Committee of the Board; and

BE IT RESOLVED FURTHER that the appropriate Officers of the Company are hereby authorized and empowered to take any and all actions as shall be necessary or convenient to review, approve or disapprove of the terms and conditions of, execute and deliver all applications, agreements, filings, notices, and other documents as may be necessary or convenient for the Company to negotiate and agree upon the final terms and documentation for agreements with banks or others which might act as agents and issuing banks for the Additional Credit Facility; and

BE IT RESOLVED FURTHER that the appropriate Officers of the Company are hereby authorized and empowered to take any and all actions as shall be necessary or convenient to review, approve or disapprove of the terms and conditions of, execute and deliver all applications, agreements, filings, notices, and other documents as may be necessary or convenient to cause the Company to file with the Washington Utilities and Transportation Commission, the Idaho Public Utilities Commission, the Public Utility Commission of Oregon, and the public utilities commissions of any other state or any other regulatory authority having jurisdiction over the Company, any necessary or appropriate applications for authority to enter into the Additional Credit Facility and, as necessary or

convenient, to secure the Additional Credit Facility with First Mortgage Bonds, together with any and all such amendments or supplements to such applications, agreements, filings, notices and other documents or any amendments thereto, as in the judgment of such Officers may appear necessary or desirable; and

BE IT RESOLVED FURTHER that the Board of Directors does hereby delegate to Scott L. Morris, to Mark. T. Thies and/or to the Finance Committee all further authority to approve and determine the terms of the Additional Credit Facility and the manner, terms and conditions of the Additional Credit Facility, which may be secured (including by delivery of securities issued under the Mortgage) or unsecured, may bear interest at fixed or floating rates, and may contain such other terms, covenants and conditions, all as may be determined by the appropriate Officers of the Company in light of prevailing financial market conditions and approved by Scott L. Morris or Mark T. Thies (such approval to be evidenced conclusively by execution of any application, agreement, filing, notice or other document containing any such provisions by Mr. Morris or Mr. Thies); and

BE IT RESOLVED FURTHER that the foregoing authority delegated to Scott L. Morris, to Mark. T. Thies and/or to the Finance Committee shall include the authority: (1) to approve a Commitment Letter, together with any engagement letters, term sheets and separate fee letters, for the Additional Credit Facility in an initial aggregate amount not to exceed One Hundred Million Dollars (\$100,000,000), and such Commitment Letters, engagement letters, term sheets and fee letters may include an option to increase the aggregate amount of the Additional Credit Facility after closing up to One Hundred Million Dollars (\$100,000,000) if the initial aggregate amount at closing is less than One Hundred Million Dollars (\$100,000,000), and to authorize and empower the appropriate Officers of the Company to take any and all actions as shall be necessary or convenient to review, approve or disapprove of the terms and conditions of, execute and deliver all applications, agreements, filings, notices, and other documents (including such Commitment Letter, engagement letter, term sheets and fee letters) as may be necessary or convenient to cause the Company to negotiate and agree upon the final terms and documentation for the Additional Credit Facility; (2) to select or approve banks and others to be parties to the Additional Credit Facility and their respective roles, including the selection or approval of banks and others to act as agents and issuing banks; (3) to authorize and empower the appropriate Officers of the Company to take any and all actions as shall be necessary or convenient to review, approve or disapprove of the terms and conditions of, execute and deliver all applications, agreements, filings, notices, and other documents as may be necessary or convenient to cause the Company to obtain the Additional Credit Facility, consistent with the final terms (including the authority to execute such certificates as to factual matters and other instruments and documents as may be necessary or convenient to carry out the purposes of the foregoing resolutions); and (4) to approve of the form of a supplemental indenture to the Mortgage, a form of First Mortgage Bond and any other instruments and/or documents, providing for one or more series of First Mortgage Bonds of the Company to be issued under and secured by the Mortgage, in a principal amount equal to the commitment under the Additional Credit Facility, and to be delivered to the lenders under the Additional Credit Facility for the purpose of securing the Company's obligations thereunder; and

BE IT RESOLVED FURTHER that Scott L. Morris, Mark T. Thies and/or the Finance Committee of the Board is hereby authorized to take the following actions in connection with any extension of the term of or renewal of the Additional Credit Facility beyond its initial term: (1) to authorize and empower the appropriate Officers of the Company to take any and all actions as shall be necessary or convenient to review, approve or disapprove of the terms and conditions of, execute and deliver all applications, agreements, filings, notices, and other documents as may be necessary or convenient to cause the Company to obtain such extension or renewal (including authority to execute such certificates as to factual matters and other instruments and documents as may be necessary or convenient to carry out the purposes of the foregoing resolutions); and (2) to approve of the form of a supplemental indenture to Mortgage, if necessary, a form of First Mortgage Bond and any other instruments and/or documents, providing for one or more series of First Mortgage Bonds of the Company to be issued under and secured by the Mortgage, in a principal amount equal to the commitment under the Additional Credit Facility, as so extended or renewed, and to be delivered to the lenders under the Additional Credit Facility for the purpose of securing the Company's obligations thereunder; and

BE IT RESOLVED FURTHER that the appropriate Officers of the Company are hereby authorized and empowered, in the Company's name and behalf, to execute, file and deliver such further documents and to do all such other and further acts and things, as, in their judgment, may appear necessary or desirable to carry out the establishment of the Additional Credit Facility, and any extension or renewal thereof, and the issuance and delivery of First Mortgage Bonds to secure the Company's obligations thereunder, in accordance with, and generally to consummate the purposes of, the foregoing resolutions; and

BE IT RESOLVED FURTHER that any and all action taken by the appropriate Officers within the terms of the foregoing resolutions before the date hereof is hereby duly ratified and confirmed as the act and deed of the Company; and

DOLLARS

and to pay the registered owner hereof interest thereon from November 25th, 2009 in arrears on March 31, June 30, September 30 and December 31 of each year, commencing December 31, 2008 (each such date being hereinafter called an "Interest Payment Date") and at Maturity (as hereinafter defined), at the rate of eight per centum (8%) per annum computed as provided in the Forty-seventh Supplemental Indenture hereinafter referred to, until the Company's obligation with respect to the payment of such principal shall have been discharged. The principal of and premium, if any, and interest on this bond payable at Maturity shall be payable upon presentation hereof at the office or agency of the Company in the Borough of Manhattan, The City of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for public and private debts. The interest on this bond (other than interest payable at Maturity) shall be paid directly to the registered owner hereof. Interest payable at Maturity shall be paid to the person to whom principal shall be paid. As used herein, the term "Maturity" shall mean the date on which the principal of this bond becomes due and payable, whether at stated maturity, upon redemption or acceleration, or otherwise.

This bond is one of an issue of bonds of the Company issuable in series and is one of a series known as its First Mortgage Bonds, Collateral Series 2009A, all bonds of all such series being issued and issuable under and equally secured (except insofar as any sinking or other fund, established in accordance with the provisions of the Mortgage hereinafter mentioned, may afford additional security for the bonds of any particular series) by a Mortgage and Deed of Trust, dated as of June 1, 1939, executed by the Company (formerly known as The Washington

Water Power Company) to City Bank Farmers Trust Company and Ralph E. Morton, as Trustees (Citibank, N.A., successor Trustee to both said Trustees). Such mortgage and deed of trust has been amended and supplemented by various supplemental indentures, including the Forty-seventh Supplemental Indenture, dated as of November 1, 2009 (the "Forty-seventh Supplemental Indenture") and, as so amended and supplemented, is herein called the "Mortgage". Reference is made to the Mortgage for a description of the property mortgaged and pledged, the nature and extent of the security, the rights of the holders of the bonds and of the Trustee in respect thereof, the duties and immunities of the Trustee and the terms and conditions upon which the bonds are and are to be secured and the circumstances under which additional bonds may be issued. By its acceptance of this bond, the holder hereof is deemed to have consented and agreed to all of the terms and provisions of the Mortgage.

The Mortgage may be modified or altered by affirmative vote of the holders of at least 60% in principal amount of the bonds outstanding under the Mortgage, considered as one class, or, if the rights of one or more, but less than all, series of bonds then outstanding are to be affected, then such modification or alteration may be effected with the affirmative vote only of 60% in principal amount of the bonds outstanding of the series so to be affected, considered as one class, and, furthermore, for limited purposes, the Mortgage may be modified or altered without any consent or other action of holders of any series of bonds. No modification or alteration shall, however, permit an extension of the Maturity of the principal of, or interest on, this bond or a reduction in such principal or the rate of interest hereon or any other modification in the terms of payment of such principal or interest or the creation of any lien equal or prior to the lien of the Mortgage or deprive the holder of a lien on the mortgaged and pledged property without the consent of the holder hereof.

The bonds of this series are not redeemable, in whole or in part, at the option of the Company.

The bonds of this series have been issued and delivered to Union Bank of California, N.A., as Administrative Agent under the Credit Agreement (as such terms are defined in the Forty-seventh Supplemental Indenture) in order to provide the benefit of the lien of the Mortgage as security for the obligation of the Company under the Credit Agreement to pay the Obligations (as so defined), to the extent and subject to the limitations set forth below.

Upon the earliest of (A) the occurrence of an Event of Default under the Credit Agreement, and further upon the condition that, in accordance with the terms of the Credit Agreement, the Commitments (as defined in the Forty-seventh Supplemental Indenture) shall have been or shall have terminated and any Loans (as so defined) outstanding shall have been declared to be or shall have otherwise become due and payable immediately and the Administrative Agent shall have delivered to the Company a notice demanding redemption of the bonds of this series which notice states that it is being delivered pursuant to Article VII of the Credit Agreement, (B) the occurrence of an Event of Default under clause (g) or (h) of Article VII of the Credit Agreement, and (C) the Stated Maturity (as defined below), then all bonds of this series shall be redeemed or paid immediately at the principal amount thereof plus accrued interest to the date of redemption or payment.

The obligation of the Company to pay the accrued interest on bonds of this series on any Interest Payment Date prior to Maturity (a) shall be deemed to have been satisfied and discharged in full in the event that all amounts then due in respect of the Obligations shall have been paid or (b) shall be deemed to remain unsatisfied in an amount equal to the aggregate amount then due in respect of the Obligations and remaining unpaid (not in excess, however, of the amount otherwise then due in respect of interest on the bonds of this series).

The obligation of the Company to pay the principal of and accrued interest on bonds of this series at or after Maturity (x) shall be deemed to have been satisfied and discharged in full in the event that all amounts then due in respect of the Obligations shall have been paid or (y) shall be deemed to remain unsatisfied in an amount equal to the aggregate amount then due in respect of the Obligations and remaining unpaid (not in excess, however, of the amount otherwise then due in respect of principal of and accrued interest on the bonds of this series).

As used herein, "Stated Maturity" means April 5, 2011 or such later date to which such date shall have been extended as provided in the Forty-seventh Supplemental Indenture.

Anything in this bond to the contrary notwithstanding, if, at the time of the Maturity of the bonds of this series, the stated aggregate principal amount of such bonds then outstanding shall exceed the aggregate Commitments, the aggregate principal amount of such bonds shall be deemed to have been reduced by the amount of such excess.

The principal hereof may be declared or may become due prior to the stated maturity date on the conditions, in the manner and at the time set forth in the Mortgage, upon the occurrence of a Completed Default as in the Mortgage provided.

As provided in the Mortgage and subject to certain limitations therein set forth, this bond or any portion of the principal amount hereof will be deemed to have been paid if there has been irrevocably deposited with the Trustee moneys or direct obligations of or obligations guaranteed by the United States of America, the principal of and interest on which when due, and without regard to any reinvestment thereof, will provide moneys which, together with moneys so deposited, will be sufficient to pay when due the principal of and premium, if any, and interest on this bond when due.

The Mortgage contains terms, provisions and conditions relating to the consolidation or merger of the Company with or into, and the conveyance or other transfer, or lease, of assets to, another corporation and to the assumption by such other corporation, in certain circumstances, of all of the obligations of the Company under the Mortgage and on the bonds secured thereby.

This bond is non-transferable except as required to effect transfer to any successor administrative agent under the Credit Agreement, any such transfer to be made at the office or agency of the Company in the Borough of Manhattan, The City of New York, upon surrender and cancellation of this bond, together with a written instrument of transfer whenever required by the Company duly executed by the registered owner or by its duly authorized attorney, and, thereupon, a new fully registered bond of the same series for a like principal amount will be issued to the transferee in exchange herefor as provided in the Mortgage. The Company and the

Trustee may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payment and for all other purposes.

In the manner prescribed in the Mortgage, any bonds of this series, upon surrender thereof for cancellation at the office or agency of the Company in the Borough of Manhattan, The City of New York, are exchangeable for a like aggregate principal amount of bonds of the same series of other authorized denominations.

No recourse shall be had for the payment of the principal of or interest on this bond against any incorporator or any past, present or future subscriber to the capital stock, stockholder, officer or director of the Company or of any predecessor or successor corporation, as such, either directly or through the Company or any predecessor or successor corporation, under any rule of law, statute or constitution or by the enforcement of any assessment or otherwise, all such liability of incorporators, subscribers, stockholders, officers and directors being released by the holder or owner hereof by the acceptance of this bond and being likewise waived and released by the terms of the Mortgage.

This bond shall not become obligatory until Citibank, N.A., the Trustee under the Mortgage, or its successor thereunder, shall have signed the form of certificate endorsed hereon.

IN WITNESS WHEREOF, AVISTA CORPORATION has caused this bond to be signed in its corporate name by its President or one of its Vice Presidents by his signature or a facsimile thereof, and its corporate seal to be impressed or imprinted hereon and attested by its Corporate Secretary or one of its Assistant Corporate Secretaries by his signature or a facsimile thereof.
